PROFIT GUIDANCE

The Board of Directors of Ntegrator International Ltd. ("the Company" or the "Group") considers it appropriate to provide guidance on the Group's financial performance for the financial year ended 31 December 2010 ("FY2010").

The Company had on 6 August 2010 reported in its half-year results announcement that a majority of its outstanding order book of \$36.8 million was expected to be completed in FY2010. However, due to delays these projects were not completed in the second half of 2010 and the Group was not able to recognize the revenue attributable to the projects. The Group will be reporting a substantial decrease in revenue and a loss for FY2010.

More details on the final financial performance of the Group for FY2010 will be provided when the Group announces its financial results for FY2010, which is expected to be on 1 March 2011.
