

PROFIT GUIDANCE FOR THE FULL YEAR ENDED 31 DECEMBER 2020

The Board of Directors ("**Board**") of Ntegrator International Ltd. ("**Ntegrator**" or the "**Company**", and together with its subsidiaries, the "**Group**") wishes to issue a profit guidance in respect of the Group's financial results for the full year ended 31 December 2020 ("**FY2020**"). The Group is expected to report a loss for FY2020, due mainly to operating losses arising from a complete halt of business activities during the circuit breaker and limited service delivery in the latter half of the year as a result of the COVID-19 pandemic.

The Group's businesses and operations were adversely impacted by the COVID-19 circuit breaker measures implemented in Singapore, during which it was not able to perform services for certain project such as installation and maintenance works of pipelines, manholes, fibre and copper cables across the eastern, western and central parts of Singapore, whilst the fixed costs (including manpower costs) remained as the Group was required to maintain the manpower workforce so as to be ready to carry out works after the re-opening, post-circuit breaker.

The profit guidance is based on a preliminary review of the management accounts of the Group. Details of the Group's financial performance will be disclosed in the Company's announcement of its unaudited financial results for FY2020 which will be released on or before 1 March 2021.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company's shares ("**Shares**"). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company's Shares.
