NTEGRATOR STRIKES UP KEY PARTNERSHIPS TO HARNESS BIG DATA TECHNOLOGY AND PAYMENT GATEWAY TO EXPAND ITS TELECOMMUNICATIONS BUSINESS INTO NEW MARKETS

- *Group inked a Memorandum of Understanding (“MOU”) with Gadmobe to collaborate and leverage on each other’s expertise and market outreach*

Singapore, 30 July 2021 – Ntegrator International Ltd (“**Ntegrator**” or the “**Group**”), a leading regional communications network specialist and systems integrator, today announced that it had entered into a non-binding MOU with Gadmobe Interactive Limited (“**GIL**”) and Sasha Lab Limited (“**SLL**”) (collectively, the “**Gadmobe**”) to utilize each other’s capabilities and to secure more business opportunities.

The MOU seeks (i) expansion of Ntegrator’s business portfolio to include the provision of telecommunication software, (ii) exploration of new markets for Ntegrator’s core businesses utilising Gadmobe’s payment footprint, (iii) optimisation of Ntegrator’s core businesses utilising Gadmobe’s big data technology and (iv) leveraging on Gadmobe’s advertising and e-commerce channels to expand Ntegrator’s client portfolio.

Whereas in return, Gadmobe will (a) leverage on Ntegrator’s regional presence to expand their services into Southeast Asia and (b) leverage on Ntegrator’s reputation to secure research and development funding for Gadmobe’s big data and machine learning technologies.

In addition, the parties have agreed in the MOU to further explore other business ventures and opportunities in existing and new markets beyond the above mentioned as may be agreed between the parties. Following the signing of the MOU, all parties

will pursue the relevant approvals and conduct the relevant due diligence to further execute a Business Collaboration Agreement within three (3) months from the date of the execution of the MOU to officially kickstart the partnership. The Group also intends to convene an extraordinary general meeting to seek approval from the shareholders of the Company for the proposed business diversification that its entry into the Business Collaboration Agreement will result in.

About GIL

GIL is a digital advertising company incorporated in Hong Kong on 17 October 2012. GIL leads the revolutionary wave of advertising with its data-driven technologies. With GIL's robust and versatile solutions, partners are able to maximize both customer engagement and advertising revenue.

Commenting on the signing of the MOU agreement with Gadmobe, Mr. Christian Kwok-Leun Yau Heilesen, Executive Director of Ntegrator, said: ***“We are excited in this next phase of development for the Group where we will be embracing big data technology and payment gateway to potentially open up new markets to expand our business. We are looking forward to working closely with Gadmobe to ensure the success of this business collaboration and to create a sustainable and fruitful partnership.”***

Further commenting on the signing of the MOU agreement with Ntegrator, Mr. Tam Ki Ying, Director of Gadmobe, added: ***“We would like to thank Ntegrator for displaying keen interest in our big data analytics and capabilities to drive up engagement rates and to ensure their advertisements reach their target clientele base more effectively and efficiently through our digital advertising platform. Moreover,***

Ntegrator’s status as a listed company on SGX and access to capital markets can provide invaluable know-how and experience to help us raise research funds for our big data and machine learning technologies. In addition, collaborating with Ntegrator will grant us instant entry into Southeast Asian markets especially in Singapore, Vietnam and Myanmar etc.”

About Ntegrator International Ltd
