

PROFIT GUIDANCE FOR THE FULL YEAR ENDED 31 DECEMBER 2018

The Board of Directors (the “**Board**”) of Ntegrator International Ltd (“**Ntegrator**” or the “**Company**”) and together with its subsidiaries (the “**Group**”) wishes to issue a profit guidance in respect of the Group’s financial results for the full year ended 31 December 2018 (“**FY2018**”).

The Group will be reporting a loss for FY2018, which is lower than the loss recorded in FY2017. The lower loss in FY2018 was mainly due to higher gross profit margin, foreign currency translation gain and overall decline in distribution and marketing expenses as well as administrative expenses. The loss for FY2018 was due to the fact that the Group completed less overseas projects in FY2018, as a result of economic downturn and market situation in the areas that the Group operates in. Most of the impact was felt during the first half of the year and the Group managed some improvement in the second half.

Details of the Group’s financial performance will be disclosed in the Company announcement of its unaudited financial results for FY2018 which will be released on or before 1 March 2019.

In the meantime, shareholders and investors are advised to exercise caution when dealing in the Company’s shares (“**Shares**”). When in doubt, shareholders and potential investors are advised to seek independent advice from their professional advisors before trading or making any investment decision on the Company’s Shares.
