

## **PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2013**

The Board of Directors (the "Board") of NTEGRATOR International Ltd ("NTEGRATOR" or the "Company" and together with its subsidiaries (the "Group")) deems it appropriate to issue a profit guidance on the Group's unaudited results for the financial year ended 31 December 2013 ("FY2013").

The Group expects to report a net loss for FY2013, due mainly to a prudent decision to write-off substantial non-recurring manpower and equipment-related costs, which were incurred in connection with a developmental project for its existing business operations for customer in Indochina which is no longer commercially viable and did not materialise; and cost overrun for one of its project.

While the Group's core businesses remain profitable, these one-time write-off of costs has eroded the operating profit generated, resulting in a net loss for the full year.

Additional details of the Group's financial performance will be disclosed when its FY2013 financial results are announced on or before 28 February 2014.
